WILLEMSEN & DR. SCHOLL
INTERIM MANAGEMENT & CONSULTING

After Sales

Asia (China)

Operations

Quality management & welding

Amazing how quickly time passes!

In February 2019, the idea of the collaboration and the path to self-employment was born at a dinner. With a clear focus, but the supporting complementary topics not neglecting.

The positive feedback from our customers and companions confirms that it was the right decision to go down this path.

We are looking forward to more exciting years!
